

Design a Game Template

Design a game that can be played at the Olympic and/or the Paralympic Games

Requirements

The new game must have:

- no more than five rules;
- no more than four pieces of equipment;
- a name; and
- a specified playing area.

Name of the Game	Aim of the Game
Rules	How to Play the Game
1.	
2.	
3.	
4.	
5.	
Equipment required	Layout of area/court/field

Olympic and Paralympic Games

Name of the Game	Aim of the Game
Pass It Ball!	To score 7 consecutive passes among your own team to score a point
<p>Rules</p> <ol style="list-style-type: none"> 1. no physical contact 2. no running with the ball <p>Group to decide rules:</p> <ol style="list-style-type: none"> 3. How do you start the game? 4. What happens if a player runs with the ball or there is physical contact? 	<p>How to Play the Game</p> <p>3 versus 3 game</p> <p>When play begins, the team with the ball must try and pass it among their team seven times in order to score a point.</p> <p>When the ball is intercepted or dropped, it must be passed over to the other team to restart the game.</p> <p>Players must try and keep moving around the space, dodging their markers to get free to receive the ball.</p> <p>Players are only allowed to throw the ball and must not run with the ball when it is in their possession.</p>
Equipment required	Layout of area/court/field
<p>one large ball</p> <p>four markers/set of cones to mark out the playing area</p> <p>coloured bands or bibs for teams</p>	<p>Square of 10 large steps each side</p>
